EXPERIENCE

COMPUTER TECHNICIAN / MULTIMEDIA MANAGER

La Presse Evangelique | 2023-present
I work as an IT technician, website developer, and community manager for their platform. I also serve as a designer and systems administrator, bringing a high level of responsibility and commitment to this institution.

IT SUPPORT TECHNICIAN

Ftech-group | 2023
IT technician responsible for troubleshooting technical issues for companies, as well as installing and configuring IT systems to ensure smooth and reliable operations.

FRONTEND DEVELOPER

Ride Prolimo | 2025-2026
Front-end developer who has collaborated with several companies internationally, contributing to the design of modern interfaces and the implementation of innovative digital solutions.

ANDROID DEVELOPMENT INSTRUCTOR

CodePath.org | 2021-2023
I worked as a mobile development instructor for the organization CodePath, supporting learners in the design and development of Android applications using Android Studio.
